CONNECTICUT STATE POLICE

Troop F - Westbrook

ESSEX RESIDENT TROOPER

January 7, 2022

To Whom It May Concern:

Reference: PARKING BAN DURING SNOWSTORMS

This correspondence is to advise town residents and guests that during snowfall and following a snowstorm, while roads are still being cleared by our Town of Essex Department of Public Works, parking on all town roads, including cul-de-sacs, is prohibited by Town Ordinance. This allows access for safe, effective, and efficient plowing of roadways.

If snow is forecast to begin during the overnight hours, it is the responsibility of each vehicle owner to ensure their vehicle is not left on the roadway for the night.

Parking is available at the following locations:

- Essex Town Hall Parking Lot (29 West Avenue)
- Essex Post Office (rear lot on Bank Lane in Essex Village)
- Exit 3 DOT Commuter Parking Lot (near Essex Fire Department)
- Exit 4 DOT Commuter Parking Lot

Vehicles that are found to be in violation of the Town Ordinance and impeding snow removal during and after snowfall shall be subject to an infraction ticket and possibly towed if deemed necessary.

Thank you for your anticipated cooperation as we work together to assist our Department of Public Works in keeping our roads and sidewalks clear and safe.

Trooper First Class Mark Roberts #1049
Connecticut State Police
Troop F, Westbrook
Essex Resident State Trooper
