Staff – Carey Duques, Land Use Official

Applicant and Representatives– Bob Doane, Town Engineer
Ryan Welch, Public Works Director

Others- Jane Siris, Janice Atkinson, Paula Anik, and Joel Anik- residents

M Furgueson called the meeting to order and reviewed the protocol for a site walk.

B Doane provided an overview of the project. The group walked the length of the proposed sidewalk where there is activity proposed with a wetlands or the 100 foot upland review area. B Doane pointed out the key features of the project including but not limited to the existing bridge abutments adjacent to the Falls River, proposed location of the pedestrian bridge and associated abutments, location of existing and proposed catch basins and drainage structures and extent of proposed disturbance area.

M Furgueson concluded the site walk at 4:26 PM.

Respectfully Submitted

Carey Duques, Land Use Official
