Reference: PARKING BAN DURING SNOW STORMS

This correspondence is in an effort to advise Town residents and guests that during snow fall and following a snow storm, while roads are still being cleared by our Town Highway Crew, parking on all Town roads is prohibited by Town Ordinance.

If snow is forecast to begin during the overnight hours, it is the responsibility of each vehicle owner to assure their vehicle is not left on the roadway for the night. Vehicles that are found to be in violation of Town Ordinance and are impeding snow removal during and after snow fall shall be subject to an infraction ticket and possibly towed if deemed necessary.

Thank you for your anticipated cooperation as we work together to assist our Town Highway Crew in keeping our roads and sidewalks clear and safe.
