POOL OWNER’S REQUIRED CODE COMPLIANCE AFFIDAVIT

Address for new pool: _____

Property owner’s name(s) (print): _____

OWNERS PLEASE INITIAL EACH ITEM BELOW:

I/we are aware that a 4 ft. high temporary enclosure shall be installed prior to the first electrical bonding inspection of any in-ground swimming pool. This temporary barrier will remain in place until such time as the compliant permanent barrier is installed. Initial(s): _____

I/we will install a permanent pool barrier compliant with all requirements of Section AG105.2 of the State Building Code. Initials(s): _____

The permanent barrier will use one of the following methods (please check one):

_____ There will be a compliant barrier completely encircling the pool including between the pool and the dwelling.

_____ There will be a compliant barrier completely encircling the pool where a wall of the dwelling serves as part of the barrier. The pool will be equipped with a power safety cover in compliance with ASTM F 1346 **OR** doors with direct access to the pool through that wall will be equipped with an alarm listed and labeled in accordance with UL 2017 and the deactivation switches shall be at least 54” above the threshold. Initial(s): _____

I/we will provide an additional alarm as required by Section 29-265a of the Connecticut General Statutes. As used in this section “pool alarm” means a device that emits a sound of at least 50 decibels when a person or object weighing 15 pounds or more enters the water. This alarm will be on site and available to the Building Official at time of final inspection. Initial(s): _____
