

ESSEX HARBOR MANAGEMENT COMMISSION
29 West Avenue
Essex, CT 06426

REQUEST FOR PROPOSAL

The Essex Harbor Management Commission is seeking proposals for work to be performed between November 1, 2013 and March 31, 2014 for:

The removal of 200-500 cubic yards of stone from the North and South rock piles located at Thatchbed Island as shown on sheets 2-3 of the approved COP and as specifically shown on pages 2-7 of the attached plans.

All work must comply with the scope of authorization and the conditions stated within the approved COP / Certificate # 201207298-DL issued by the Connecticut Department of Energy & Environmental Protection on 12-14-12.

Bid documents are available at the First Selectmen's office 29 West Avenue.

The Commission requests that all proposals be submitted in writing to the Selectman's Office, Harbor Commission mailbox, 29 West Avenue, no later than 3:00 PM on April 18, 2013. Bids will be opened at 7:30 PM on April 18, 2013.

Any questions not answered in the COP may be forwarded to:

Wally Schieferdecker, Essex Island Marina 860-767-1267
