**INTRODUCTORY MEETING**

Centerbrook  
VISIONING

Centerbrook was recently awarded a grant from the **Connecticut Main Street Center** under its *2014 Preservation of Place* Program. The grant will be used to conduct a visioning exercise. This series of public workshops will help the community of Centerbrook to hold an honest discussion about what kind of village Centerbrook is today and what it could be in the future. We need your feedback. The information gathered at these meetings will be essential in developing a strategy to guide Centerbrook to become the kind of place the community envisions. The goal of this initial meeting is to generate interest and create a stakeholder group that will guide the community input and visioning for Centerbrook.

**Tuesday, March 25, 2014 -- 7:00 PM**

Essex Elementary School  
108 Main Street, Centerbrook, CT

This workshop is a joint presentation of the **Connecticut Main Street Center** and the **Town of Essex**

FOR MORE INFORMATION, *please contact the* **Essex Planning Department** at 860-767-4340 ext. 149  
*or the* **Economic Development Commission** at 860-767-4340 ext. 220

A project of the *2014 Preservation of Place* Program funded and administered by the **Connecticut Main Street Center**
