The regularly scheduled meeting of the Essex IWWC was conducted on July 9, 2013 in Conference Room A, of the Essex Town Hall at 7:30 p.m. Members in attendance were Daniel Lapman, Chair; Chuck Corson, Vice Chair; Fred Szufnarowski, Claire Tiernan and Jeff Lovelace.

Approval of a Permit for **Application #13-11 on behalf of Southwinds Home Association, Open Space parcel off Southwinds Drive, Ivoryton, Assessor's Map 90 Lot 1-A, RU District.** This is an application to replace an existing wooden dock with a plastic floating dock. An IWWC Permit was granted in May 2005 for the construction of the existing dock.

The applicant has requested Commission approval to construct only a portion of the dock at the present time. The applicant will present before the Wetlands Commission prior to completion of the second and final phase of this project.

The applicant will insure that disturbance to the wetlands will be minimized during construction and materials of the old dock will be disposed of offsite in a proper location.

Respectfully submitted,

Stella C. Beaudoin
Recording Secretary
