Notice of Decision – Regular Meeting - Tuesday, August 11, 2015

The regularly scheduled meeting of the Essex IWWC was conducted on August 11, 2015 in Conference Room A, of the Essex Town Hall at 7:00 p.m. The following decisions were rendered:

Application 15-6 – Bill Beccaro, 12 New City Street. This is an application to allow a concrete encasement to be located within a storm water drainage pit and to allow the completed structure to be buried and the drainage pit to be filled with soil. **Approved**

Application 15-7 on behalf of **George and Valerie Washburn, 8 Bracket Lane.** This is an application allow for the excavation and removal of sediment that has settled within the Falls River. **Approved**

Application 15-8 on behalf of the Town of Essex, Book Hill Road project. This is an application to allow the repair of a section of Book Hill Road to improve drainage. **Approved**

Application 15-9 on behalf of the Town of Essex, 18 Industrial Park Road project. This is an application to allow for the installation of underdrains below Industrial Park Road that will improve ground water drainage to flow to an existing catch basin. **Approved**

Application 15-11 on behalf of the Kate McSpadden, 26 Hemlock Drive. This is an application to allow an embankment along South Cove to be landscaped and to allow a stone staircase to be constructed into same embankment. Also to allow the planting of trees and an establishment of a lawn within the 100-foot upland review area. **Approved**

Respectfully submitted,

Stella C. Beaudoin
Recording Secretary
