

Hi Joe ,

Here are the items you asked for ,, thanks tony

- 1- a-d roof leaders. -----Will be removed asap.
- 2- Stairway to roof .---- this item to remain.
- 3- Above ground propane tank.----- this item to relocate to back of land away from wetlands.
- 4- Concrete pad and overhang --- this item to remain.
- 5- 20' x 81' gravel areas --- these items to remain.
- 6- Existing shed. ----- this item to remain.
- 7- Box storage unit----- this item to remain.
- 8- Fabric storage building-- this item to be permitted and remain.
- 9- Paved parking area—this to remain.
- 10- 10- a & B this to remain until addition and then permitted with new addition.
- 11- Gravel parking area- this to remain.

Will work with Indigo company (Joe Wren) of water shed and all water run off issues with all that is remaining. Once Joe has approved plan to submit will schedule work ASAP. We would like to do all these things before cold weather this year and will get everything 100 percent by October 2020
