- All-steel construction with zinc-plated finish for added corrosion resistance
- 500-lb. rating
- 4 different boom height adjustments
- 360° rotation of crane on sleeve bearing
- DIN-Rated hand winch equipped standard with a load holding weatherproof Weston brake

### Product Summary

The OZ Lifting Products Davit Crane with AC Winch is portable and has a zinc-plate finish to prevent corrosion. It can rotate 360° and features 4 different boom height adjustments for added versatility. Smart latch technology at the boom/mast means the davit crane requires no tools to assemble. Individually tested and certified at 125%. (Cable assembly and bases sold separately)

### What's Included

(1) Davit crane

### Features + Benefits
