**Town of Essex
29 West Avenue
Essex, CT – Meeting Room A**

Board of Finance

March 30, 2017

MINUTES

In attendance: Keith Crehan, Chairman, Campbell Hudson, Vice Chairman, Mary-Louise Polo, Don Mesite and Jeffrey Woods. Absent: Vin Pacileo III.

Others in attendance: Norman Needleman, First Selectman
Kelly Sterner, Finance Director

Guests: Ruth Levy, Superintendent, Region 4
Garth Sawyer, Business Manager, Region 4
Jennifer Tousignant, Principal, EES
Jennifer Nucci, Associate Principal, EES
Carolyn Rotella, Essex Elementary School Board of Education
Loretta McCluskey, Essex Elementary School Board of Education
Lon Seidman, Chair, Essex Elementary School Board of Education

Meeting was called to order at 7:18 p.m. by Keith Crehan.

APPROVAL OF AGENDA:

Campbell Hudson made a motion to approve the agenda, seconded by Don Mesite. Passed unanimously. Motion carried.

APPROVAL OF MINUTES:

Campbell indicated that Bruce Glowac's name should be added to others in attendance.

Campbell Hudson made a motion to accept and approve the minutes (as amended) of the Regular Meeting on March 16, 2017, seconded by Don Mesite. Passed unanimously. Motion carried with Jeff Woods abstaining.

SELECTMEN'S REPORT: None

OLD BUSINESS: None

NEW BUSINESS:

a. Presentation of 2017-2018 proposed Essex Board of Education Budget

Lon Seidman, Chair, Essex Elementary BOE, opened up the presentation from the Proposed Budget starting on page 5 – Enrollment Projections – Lon reviewed the K-6 enrollment for 2013/13 – 2022/23. For the 2017-2018 it is projected that EES will have an enrollment number of 305. Lon mentioned that they had Kindergarten registration last night in the school library, which there were 32 potential kindergartners in attendance. On Page 6, Lon reviewed the class sizes from 2011/12, we had 31 sections and for 2017-2018 we will be at 20 sections. Jeff asked if special needs children are included in these numbers. Ruth indicated it varies; however, it is factored into the class size. Campbell asked about the class size breakdown and was referred to page 23 of the presentation. On Page 8, it shows the overall proposed EES budget resulting in a (-\$173,814) or -2.28% reduction the total budget being \$7,461.594.

Salary increases are due to step increases and contractual increases, including 2 Para-educator positions from the supervision district. Reductions included various Supervision District decreases. Electricity has gone up slightly due to the new heat pumps. However, we are now solarized and should soon see some results.

The Associate Principal position has been removed from the Essex Board of Education budget for next fiscal year. Jennifer Nucci, current Associate Principal, will become the Supervisor of Special Services in the central office doing Special Education. Also under Reductions is 2.0 FTE Classroom teachers and since 2011, they are currently down 11 teachers. Other Reductions are also specifically noted on page 9.

Mary-Louise and Campbell asked what are the empty classrooms being used for now. Lon responded that some of them are being used for the Pre-K program for a total of 5 this year and 4 next year. This program has been in existence in Essex for approximately 10 years. The district pays for the variable cost of this program. The additional classrooms would be; one for Special Education, a one-on-one room, one for art (1) and (1) for larger projects (total of 2 rooms), one for storage, one being used as a book room and another one for the after school program. May need a total of 3 additional rooms for Special Education going forward.

A new FTE Math Coach “position” is being requested. Lon reviewed a recent diagram of SAT scores and we could be doing better in our Math scores. We’ve made several changes and strides; however, they’ve had no support staff on hand for Math. This position will be in the building and coaching teachers within their own classrooms. The funds will come from the two reductions and we have a qualified person on staff that can come into this new position. The math coach will spend some time in some of the classrooms to assess both the students and the teacher. Each of the three towns in the district are committed to the math coach position in their respective elementary schools.

Lon continued on with the Additional Services requests on page 11 that includes the purchase of New Math Program Resources, Dishwasher, Additional Sidewalk Replacement, 4-Twelve Foot White Boards, Cafeteria/Lunch Room Tables, Classroom Furniture and Guardrail fence.

An additional request was also submitted as a Town Capital Request based on input from the School Security Committee to enhance security around the main office. They will be requesting a Main Office Reconfiguration by installing a double door buzzer system with improved safety glass, glass walk up window and carpet replacement. The cost being approximately \$35,000.

Possible additional wish items for next year would be a gym floor (adding a top coat) and the front walkway is getting cracked.

Garth Sawyer pointed out that Pre K- 6th Special Education Expenses for 2017-18 will be at 28.21% of budget for the year. Ruth indicated that the Region 4 budget was the most difficult this year versus past years specifically due to the high cost of Special Education expenses this year in grades 7-12 for out-of-district placement.

The Region 4 and the Essex Elementary Pre K-12 Education Budget overall breakdown is as follows: Elementary % change is -2.28% (-173,814) decrease and the Essex Portion of Region 4 the % of change is 3.15% (+266,539) increase.

Ruth discussed several changes have been made to move away from the 4x4 block and move into a regular schedule, this comes after a recent NEASC review. Ruth also mentioned a new international baccalaureate diploma program that is being considered at Valley Regional. Guilford is the only other suburban school system already participating in this program. They are currently working with a company named Spiral International that connects with sister schools/students in China. This summer 20-30 Chinese students along with two teachers will attend school here for a two week period in the hopes some would return as tuition students. They are also looking into a manufacturing program that would help students get into the work force directly out of high school. Down the road they will be presenting a clinical program at the high school as well.

Essex Elementary Board of Education thanked the Board of Finance and departed the meeting at 8:30 p.m.

b. Consideration of 2017-2018 Selectmen's Budget, Essex Board of Education Budget and possible approval of budgets to be presented at Public Hearing.

Kelly distributed a revised Expenditure Summary by Budget – showing an overall 1.42% increase in the proposed FY 2017-2018 budget (this excludes the Teacher Retirement Payment). Norman is still asking the BOF to hold off on setting the mill rate in June until the State budget is set.

Update on state issues, it appears that the state requirement for municipalities to contribute to the Teacher's Pension is off the table at least for this year. Norman thinks we will start seeing a number phased in over the next couple of years to cover these costs at 1 or 2%. He also sees a CT sales tax and/or an income tax increase coming down the road.

Keith Crehan made a motion to submit for review and discussion at the April 20, 2017 Public Hearing the 2017-2018 Board of Selectmen's Budget in the amount of \$7,895,609 and the Essex Board of Education 2017-2018 budget of \$7,461,594, seconded by Jeff

These minutes have not yet been approved.

Woods. Passed Unanimously. Motion carried.

With regard to the bond and talking to bond council, we have in there the debt service and based on rolling one more turn as a bond anticipation note, we won't know what the final interest rates will be – the one in the budget is at this point just a guess. This comes due in May and we're thinking to roll it to November when most of the bridge work will be done on Walnut Street and the Town Hall will be complete. Norman would like to roll with one 90 day period instead of 6 months, as we're trying to get in before the two additional interest rate increases that will be coming up. If we do a 90 day, we'll be into August and out to bid on the bridge. The payment would then be due the following fiscal year. New numbers are being put together and we'll review them when we get them. Next year, both schools will see a reduction and a more favorable ADM, and budget requests may be down slightly or at least flat in Region 4 schools. We will be expecting grand list growth with the addition of the apartment complexes and the properties on Bokum Road.

COMMUNICATION AND CORRESPONDENCE: None

PUBLIC COMMENT: None

ADJOURNMENT:

Motion made by Jeff Woods to adjourn the meeting at 9:03 p.m., seconded by Don Mesite. Passed unanimously. Motion carried.

Respectfully submitted,

Yvonne Roziak

Proposed Budget for School Year 2017/2018

ESSEX SCHOOL DISTRICT

The Essex School District is part of a system of schools comprising the Chester, Deep River, Essex, and Region 4 school districts. The districts are governed by multiple Boards of Education and administered under the auspices of the Supervision District agreement. The Boards of Education are committed to providing a rigorous, challenging, and cohesive educational program with a PK-12 line of sight.

Essex Elementary School

Essex Elementary School opened in 1954 and serves students in Essex, Centerbrook, and Ivoryton. Today, Essex Elementary School serves approximately 558 students in grades PK-6. Essex Elementary School has high expectations for all students and uses a School Improvement Process to improve student achievement. School Improvement is a continuous process used to ensure that all students are achieving at high levels. Continuous improvement is essential to provide increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and public participation in planning, are critical factors in schools that demonstrate continuous growth.

An early intervention process, SRBI, supports teacher and specialist collaboration for effective use of instructional resources and to monitor student progress. Performance Plus is used to monitor interventions and student data at Tier II and Tier III. All of these efforts are coordinated to provide seamless instruction between all professionals in the building for a continuum of instructional support for student growth. Meetings are held to discuss best practice, review student data, and plan collaboratively. The efforts of the staff are positively affecting student achievement and the staff is committed to continuing their efforts and expanding upon them in the future.

Besides a strong academic program in reading, writing and mathematics, there are other programs to enrich our students' elementary experience. Students in grades 3-6 participate in the World Language/Spanish program. Technology is integrated into the classrooms through three laptop labs, one full size ipad lab and one mini ipad lab along with multiple desktop computers in every classroom. The band and choral programs encourage students' skills in music. A school-wide Art Show demonstrates the multitude of media that students create in grades K-6. The Parent Teacher Organization (PTO) provides enrichment programs for students in the Cultural Arts, field trips to enhance the curriculum and a myriad of opportunities for parent/family involvement. The Essex Elementary School Foundation funds the Historian in Residence Program for students in grades 4,5, and 6 and a World Cultures program for students in grade 3. The staff continues to enhance its Social Development Program, which helps to narrow the disparity between students who are already successful in school and those who struggle in school. The Social Development Program promotes a school culture, climate, and curriculum, which foster the social, emotional, and behavioral development of students. The Social Development Book of the Month program embeds our core values into the general curriculum in each classroom. At Essex Elementary School we strive to provide a strong academic program and to create an atmosphere that fosters a love of learning and a sense of community.

ESSEX SCHOOL DISTRICT

Mission and Vision Statement

Our Mission ~

We, the schools of Chester, Deep River, Essex and Region 4, engage all students in a rigorous, challenging, and cohesive educational program. As a community of learners, we foster individual student achievement and empower students to excel in an environment of collaboration, responsibility, and mutual respect. We prepare our students to be knowledgeable, involved citizens in a rapidly changing world.

Our Vision Statement ~

Our schools endeavor to develop an educational program of excellence where all students achieve at high levels and best instructional strategies are pursued in an environment of inquiry, collaboration, support and trust.
