Dear Resident,

The Town has been able to provide the service of both a well-run and well-kept garbage and recycling facility with minimal fee increases over the past 8 years. However, the garbage industry is faced with many challenges, such as the rising costs for processing waste and recyclables in addition to the increase in labor and maintenance expenses.

I am writing to let you know that on May 6, 2024, the Transfer Station fees for demolition and bulky material and brush and log disposal will increase.

Effective January 1, 2025, the annual stickers will increase to \$200, and the senior rate will increase to \$150.

Should you have any questions please feel free to contact me by email at nneedleman@essexct.gov or by phone at 860-767-4340 x145.

Yours Sincerely,

Norm Needleman
