Essex Health

Department Hosts a 5th
COVID-19 Vaccination

Clinic Essex Health

Department continues to
partner with Nutmeg
Pharmacy by hosting

weekly COVID-19 vaccination clinics. Vaccinations are by **appointment only**. Since the first vaccination clinic was held on January 30, over 400 vaccinations have been administered to seniors aged 65 and over and I am happy to announce that tomorrow's clinic will provide one hundred 2nd doses and another one hundred 1st doses of Moderna vaccine. To schedule an appointment go to Nutmeg Pharmacy's website at <https://www.nutmegpharmacy.com/covid19-vaccine>.

The Governor has expanded vaccine eligibility to those who are 55+, educators, and childcare professionals beginning on March 1. The Essex Health Dept and Nutmeg Pharmacy will continue to work through the existing roster of 65+ year olds to meet our goal of vaccinating those who are most at risk of severe illness from COVID-19. Eligible educators and childcare professionals will receive their vaccine at separate designated clinics over the next few weeks. Getting vaccinated is one more step to ending this pandemic. In the meantime, please continue to wear your mask and maintain social distancing.
