

Everbridge Alert from the First Selectman

We understand everyone is concerned about Coronavirus. The Town of Essex is closely tracking the spread of the virus across the State and is working with the Local Health Officials, other Town Leaders, and School Officials to prepare and disseminate timely and important information. We are aware that Region 4 schools will be closed for an undetermined period of time.

There currently are no confirmed cases in our area. However, because the situation is rapidly changing, we strongly encourage everyone to take these necessary steps to remain healthy:

- Practice social distancing of at least 6 feet
- Cover your mouth when you cough or sneeze
- Wash or use hand sanitizer frequently, and
- Stay home if you are sick

Please [click here](#) for the Coronavirus Fact Sheet or visit www.essexct.gov for the most up-to-date information.

Town Hall will remain open as usual with normal business hours.

During a public health crisis, it is important to keep a cool head and to remain calm. Remember to take care of yourself, your family, and act responsibly.
