A.Pampel indicated that all trees for our 2022 planting sites are being sourced or have been planted. Fred Weber is still looking for a Pink Chestnut. All other trees on the 2022 list are being planted.

A. Pampel has met with our calligrapher and the work is being processed for a continuation of updates to the Trees Given to the Town of Essex plaques.

A. Pampel told the Committee that the Swamp White Oak in Grove Street Park is a memorial tree for Mike Long, who had chaired the Essex Sustainability Committee for many months.

A. Pampel also talked about the possibility of planting a Black Willow in the Bushnell Park to replace one that was removed recently. More to follow on this tree location.

A. Pampel told the committee about the program held at EES to celebrate Arbor Day that he attended. A beautiful Red Sunset Maple was planted near the children's play area. The cost will be split between the ELT (Essex Land Trust) and the ETC.

The meeting adjourned at 10:30 AM.
